Fear

Author's Notes:
Done for the Wednesday drabble challenge with the prompt of \"fear\".

Fears? I have none. Besides running out of smokes after a long flight.

The other guys? A shit ton.

Tommy? Afraid of no bananas backstage. Seriously.

Make? Afraid of going onstage without a buzz. He's so tightly wound that five beers is barely denting it.

Elias? Afraid his clothes will fall off. Not that Tony or the fangirls would mind, but still. I've never seen someone triple check if pants were still fastened.

Tony? Everything. The man is a walking fear factory. Will in-ear monitors fail? Will he forget the words?

They're all nuts, but I love them anyway.
